

## Speech Language Pathologist Job Description

Position Title: Speech Language Pathologist

Location: Homecare Facility, Abu Dhabi

Department: Allied Health

Reports To: Clinical Operations Manager

### **Position Summary:**

The Speech Language Pathologist (SLP) provides comprehensive diagnostic and therapeutic services to patients with speech, language, cognitive, and swallowing disorders in a homecare setting. The SLP works closely with patients, families, and other healthcare professionals to develop and implement individualized treatment plans aimed at improving communication and swallowing abilities.

### **Key Responsibilities (:**

- Conduct thorough assessments of patients' speech, language, cognitive, and swallowing abilities.
- Develop and implement individualized treatment plans based on assessment results and patient needs.
- Provide direct therapy to patients, using evidence-based practices.
- Educate patients and their families on strategies to improve communication and swallowing function.
- Monitor and document patient progress, adjusting treatment plans as necessary.
- Collaborate with other healthcare professionals to ensure comprehensive patient care.
- Maintain accurate and timely patient records and documentation.
- Participate in multidisciplinary team meetings and case conferences.
- Stay current with developments in the field through continuing education and professional development.

### **Qualifications:**

Bachelor's degree in Speech-Language Pathology from an accredited institution.

- Valid licensure or certification to practice as a Speech Language Pathologist in Abu Dhabi.
- Minimum of 2 years of experience in a clinical or homecare setting preferred.
- Strong knowledge of speech-language pathology principles, practices, and procedures.
- Excellent communication, interpersonal, and organizational skills.
- Ability to work independently and as part of a multidisciplinary team.
- Proficiency in English; knowledge of Arabic is an advantage.
