### **Job Description:**

We are looking for a dedicated and experienced Poultry Senior Staff to oversee and manage our poultry operations.

The ideal candidate will have extensive knowledge and experience in poultry section, including cutting, presenting and selling chicken.

You will be responsible for training and mentoring junior staff, ensuring compliance with health and safety regulations

Strong leadership, communication, and problem-solving skills are essential for this role.

You will play a crucial role in driving the success of our poultry section operations and contributing to the overall growth of the section.

### **Responsibilities:**

1. Oversee daily poultry operations
2. Ensure quality and safety standards are met
3. Manage inventory and stock levels
4. Train and mentor junior staff

5. Coordinate with suppliers for chicken procurement
6. Maintain hygiene and cleanliness in the work area
7. Develop and implement efficient work processes
8. Ensure customer satisfaction with products and services

### **Requirements:**

1. Proven experience in poultry management
2. Strong knowledge of chicken cutting techniques
3. Excellent leadership and team management skills
4. Ability to maintain high hygiene standards
5. Good communication and interpersonal skills
6. Attention to detail and problem-solving abilities
7. Ability to work in a fast-paced environment
8. Inventory management
