

## **Occupational Therapist Job Description**

Position Title: Occupational Therapist

Location: Homecare Facility, Abu Dhabi

Department: Allied Health

Reports To: Clinical Operations Manager

Position Summary:

The Occupational Therapist (OT) provides comprehensive therapeutic services to patients with physical, developmental, or emotional disabilities in a homecare setting. The OT works closely with patients and their families to develop and implement individualized treatment plans aimed at enhancing the patient's ability to perform daily activities and improve their quality of life.

### **Key Responsibilities:**

- Conduct thorough assessments of patients' functional abilities, including physical, cognitive, and psychosocial aspects.
- Develop and implement individualized treatment plans based on assessment results and patient needs.
- Provide direct therapy to patients, using evidence-based practices.
- Educate patients and their families on strategies and techniques to improve daily living skills.
- Monitor and document patient progress, adjusting treatment plans as necessary.
- Collaborate with other healthcare professionals to ensure comprehensive patient care.
- Maintain accurate and timely patient records and documentation.
- Participate in multidisciplinary team meetings and case conferences.
- Stay current with developments in the field through continuing education and professional development.

### **Qualifications:**

- Bachelor's or Master's degree in Occupational Therapy from an accredited institution.
- Valid licensure or certification to practice as an Occupational Therapist in Abu Dhabi.
- Minimum of 2 years of experience in a clinical or homecare setting preferred.
- Strong knowledge of occupational therapy principles, practices, and procedures.
- Excellent communication, interpersonal, and organizational skills.
- Ability to work independently and as part of a multidisciplinary team.
- Proficiency in English; knowledge of Arabic is an advantage.
